### STIR UP MORE IMPULSE SALES WITH PORTABLE DISPLAY CUBES

Show off your popular impulse merchandise with these open-sided, compact display cubes. They're ideal for bundling assorted items and packages into attractive, easy-to-maintain presentations. Use these cubes and their adjustable shelving to smartly organize and feature products.

The sturdy, portable displays will fit practically anywhere on your sales floor – they can give impulse purchases a jolt and enhance your overall sales. Both of the freestanding units are designed to provide shoppers convenient access to your products and accessories, while enabling effortless restocking by staff. And the rope basket is perfect for spotlighting promotional items.
